The charts below summarize the total usage. During August the site had 1237 visits from 472 unique visitors, a substantial increase from June's 919 visits from 439 visitors, probably because of our Appalachian Adventure event.

Our administration load remains large, as shown by the use of `/administrator/index.php`, the entry point for site maintenance, but the events calendar and news page were also popular. Note that some pages, such as `/media/jui/fonts/IcoMoon.woff`, are just for support and aren't really something the user consciously viewed.
