As the data below show, we continue to get visitors from all over the world, although the overwhelming majority are from the US.

Our administration load remains large, as shown by the use of */administrator/index.php*, the entry point for site maintenance, but the events calendar, news, officers, and tours pages were also popular. Note that some pages, such as */media/jui/fonts/IcoMoon.woff*, are just for support and aren't really something the user consciously viewed.
